All prices quoted exclude VAT at the current rate

Standard charges apply to all out of contract services. At the end of any specified minimum term services provided on a discounted price to the one shown will automatically be moved to the pricing shown in this document unless the services are renewed into a new minimum term, in which case the specified contract charges will apply. Customers who pay a higher price compared to the one shown in this document based on historic contracts will continue at the agreed price until renewed into a new minimum term in which case the specified contract charges will apply. All services are provided subject to Digital Space's Standard Terms & Conditions. All charges shown are in addition to any minimum term and notice period requirements as per your contract.
